Forecast For East of England
Issued by Met Office Exeter
at 0400 on Saturday 14 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry start, light rain possible later.

Today:
A cloudy but dry start across the region with light winds. Generally staying fine although some light showers possible towards the end of the day, most likely towards the west. Maximum temperature 23 deg C (73 deg F).

Tonight:
A cloudy evening with any showers easing quickly. Dry overnight with clear spells across the south, although still feeling mild. Minimum temperature 14 deg C (57 deg F).

Sunday:
Cloud returning early in the morning with showers developing in the west and steadily spreading across the region. Sunny spells and showers continuing into the evening. Maximum temperature 24 deg C (75 deg F).

Outlook for Monday to Wednesday:
Sunny and breezy at first Monday, quickly clouding over with some showers along the east coast. Cloudy on Tuesday and Wednesday, staying breezy with a chance of some drizzle.
